

Breeding Terms for Zinfindel Labradors

A Litter shall be considered a litter if at least **two live puppies** are whelped.

Stud Fee for all Zinfindel Labradors: Freshly chilled or side by side is \$2500.00

We do offer a \$500.00 service fee. It is a down payment towards the stud fee with the balance of \$2000.00 due **immediately** after the puppies are born.

***FROZEN SEMEN is available for export. Please email or call for details
zinfindellabs@gmail.com***

REPEAT BREEDING

If the bitch fails to produce a litter a repeat breeding will be given. A Service fee is paid again for a repeat breeding. The owner of the bitch must still pay for shipping, extender, boxes etc.

If the original stud is no longer available for service, the bitch owner may choose any other stud dog, with an equal stud fee owned by us.

If the original bitch is no longer available to fulfill the breeding, another bitch may be substituted. **There will be no refunds of stud fees.**

Visiting Bitches

All visiting bitches will be required to have brucellosis test.

FRESH CHILLED SHIPMENTS

Two canine express shipping kits with extender will need to be purchased by the bitch owner at www.purepup.net. Our address is below to have the kits sent to.

A fed ex number or credit card will be required before the breeding for the shipping charges.

The owner of the bitch will be responsible for all expenses pertaining to shipping dogs or chilled semen or frozen semen. These expenses include shipping kits, FedEx charges, Airline Counter to Counter, and shuttle services to the airport.

These expenses are due at the time of the breeding.

All bitches being bred to Zinfindel stud dogs are required to have progesterone testing done prior to breeding to determine optimal time of ovulation and breeding.

After a litter is whelped, breeder will send a completed Online AKC Litter Registration Form to Zinfindel Labradors for signature of the Owner of the Sire portion of the form. We will then forward forms on to AKC.

A copy of the bitch pedigree and all clearances are required before breeding. This can be emailed to us at zinfindellabs@gmail.com.
